I met Joe in 1950 when he came to Michigan to work in the auto factory. We married but it didn't work out and we were divorced.However we remained friends through the years and kept in contact with each other.Joe will be sadly missed by myself and my family members and his many friends. Rest in peace Joe. You traveled the road you chose and I am happy that you had close friends with you at the end. You will always be in my heart and in my prayers.

My thoughts and prayers are with those who knew Joe. For me he will always be a part of many fond memories, his dog "Puddles", the race track where we used to bet a quarter, the grotto, Disney World, and the love of fast cars he instilled in me! Rest n peace Joe.

Just wanted to say how sad we were to learn of Mr. Thompson's passing. He was a patient of ours @ Woodland Physical Therapy over the past couple of years, and we cared alot about him and will miss him very much.
His picture is on our "wall of fame" bulletin board (wearing a Grinch T-shirt we gave him for Christmas!), along with his favorite phrase, "WHATEVER!". He always said this to us whenever we asked him to do his therapy exercises!
Underneath that "grinch"/grumpy exterior, was a nice, caring man who will be truly missed.

I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, “If an able-bodied man dies can he live again? You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15). God will have a yearning to resurrect faithful ones.
