“ My sister... I will always have you in my heart. I will always love you. I will always remember you. I will always cherish you. I will always remember our good times and our struggles.

I miss you so very much. I am very sad and heartbroken that you are not here with us now. But I know you are no longer in pain and in a better place. Tell Dad hello for me and not to worry, we can all go fishing together when I get there.

Love you Sis.... Bye for now, miss ya.

Your Brother,

DOUG.

“ This lady was a one of a kind. She was not only my cousin who was more like a sister but she was my best friend. We had each others back always. She gave freely of herself to others. She helped so many. I will miss her terribly.

“ I'm very sorry for losing my sister. It's very hard to lose a Sister. We had plenty of good times and some bad times. I'm never going to forget about any of them. Debora was a very good friend to me, not just a sister. I will hold her in my heart forever
