“ I am so sorry for your loss. Adam and I are second cousins on his dad's side. I had the pleasure of teaching him in Kindergarten. He was such a precious little boy. He was quiet, shy, and so polite. I'm sorry he couldn't get better, but I'm so glad that he was blessed with the time he did have - to grow up, fall in love, get married, have children, etc.. Our prayers are with yall.
