“ Today is a sad day I lost a dear Friend that we shared
Many memories together, worked as volunteers most of our life on
and off the volunteer setting I Admired Alan for his Love for His
Family and Friends. Alan had a Heart of Gold for his Community for
his fellow man and his country I Thanked him many Times for his
Severce to our country. Alan joined Fairview volunteer Fire
Department
In High School alone side of Five others As Chief Westley
Came to the High school for help we had had a F/3 Tornado that
had hit our Community so Coach Jones
Rounded up six of us to serve and protect We had to join to be
under there Insurance net. It was the best learning experience for all
six of us . And it was getting us out of class .
We all liked that. ha ha.
I was teamed with Alan
MySelf and Danny Thomas
Alone side Chief Westley and Gene Pinkard. We worked
Tirelessly to clear Trees and Debris from Homes and Roads At
Simcoe I can remember Alan and I seeing
A pine needle that had been drove through a telephone pole . It was
unreal to imagine but so real to see.
Chief Westley told us boys
That's the power of mother nature. We just Simply shook
Our heads in Awh. I've shared This to say this
Alan was A mighty man that
Love his Lord and Savior
A God fearing friend .
Alan will be missed but my
Friend is Home my friend
Is Healed I Rejoice for you
And for his family. bj

“ *My heart is broken for your sweet family. I never walked into the Miners' home without Alan making me laugh about something! He loved picking and teasing - but always in a funny, not mean way! He had a huge laugh and a huge heart! He worked hard and loved his family and his community. He will be missed deeply by both.*
