In Loving Memory of Alfrieda Claire Keberski Painter  
January 15, 1929 – May 21, 2026

Alfrieda Claire Keberski Painter, age 97, passed peacefully on May 21, 2026, and entered her heavenly home where she reunited with her beloved husband, Carol Painter; her parents, Josef and Anna Keberski; her brother, Stanley; and her sisters, Agnes, Blanche, and Mary.

She leaves behind her beloved nephews, Anthony Leonardi and Mike Niecen, along with many other nephews, nieces, great-nephews, great-nieces, and great-great-nieces and nephews who will cherish her memory.

Alfrieda was known for her strong work ethic, having spent many years working in crop fields and later retiring from Anchor Hocking. Though blind, she never let it stop her creativity and talent. She was an avid crafter who won many ribbons at the Cullman County Fair for her beautiful handmade creations.

Alfrieda was deeply loved and will be greatly missed by all who knew her.
