“ I am so sorry to hear about Ms Gay, she used to come to my scrapbook store years ago in Cullman. She loved making crafts and decorating for Christmas. We all went to see all her beautiful decorations.

May she rest in peace.

Love to you always , such a lovely lady and friend.

“ I knew Alta Gaye when I was a pre-teen as we lived in the same community. I had lost track and didn't even know her last name but when I saw the name Alta Gaye I instantly thought of the only person I had ever known named that. Sending prayers for the family while remembering so many years in the past.

“ My husband David and I extend our deepest sympathy to the family of Alta Gaye and especially to John Edward, my cousin. I always looked forward to my twice yearly visits with them. They would always take us for a catfish dinner (because they knew it was David's favorite) and visiting cemeteries (because they knew that was something I liked to do) as we shared an interest in ancestor research. Through our research we discovered we were distant cousins by way of our shared fifth great grandfather. Alta Gaye was very creative, as anyone who has visited her home would know and always gave me a gift of her beautiful hand made cards and albums. She was a caring and loving person to us. You will be missed Alta Gaye.
