JF

“ I was a classmate and friend of Angel at the U of SA. I haven't spoken to Angel in many years yet we had connected on LinkedIn a few years ago and I was not surprised she was so accomplished in the healthcare industry.

*I possess very warm memories of our friendship in Mobile. Angel was jovial, whip smart, witty and had a presence that lit up a room. May God bless Angel's family as they remember her as a wife, mother and grandmother on her birthday.*

*RIP*

“ I was acquainted with Angel. We had some good times together at Man Cave Market. She was one of the sweetest, most precious people I have ever known. I am so sad to hear she passed. She was too young but God knows what he is doing and had a purpose for taking her. May God rest her soul, bless and comfort her loved ones, especially her children. Heaven gained a sweetheart, she will be missed.

“ Working with Angel was such a joy. We all felt like a big extended family. She will be very missed. Her every thought and action was for her children and grandchild. May the good Lord grant comfort and peace. She is no longer suffering.
