“ My first friend always there for me she loved me more than anyone ever has in this world, I could always depend on my momma and now she's gone and I'm at a loss. I know she's happier than she has ever been walking those streets of gold and has that long glowing hair she always wanted, I love you momma and I will see you at the gates of heaven when it's my time to go.

“ It is said that a cousin is your first friend, but in my case my first friends were my niece and nephew, Anita and Jimmy. I remember all the spend the nights when Anita and I would get Jimmy in trouble and a spanking would follow. Then we would feel so sorry and apologize. I remember all the trips to the park and bike riding to Blue Haven to swim. I remember on Sunday afternoons, we would go to ride their horse, Dusty. Those were the days! As we grew older, we grew apart but I will never forget all the fun times. Rest In Peace my first friend!!!

“ Dear Wendell, Kelly, Karen and all 3 boys, I'm so sorry you all are going through this. Just know that your momma/wife/MeMe went to be with Jesus where she isn't sick any more. Know that she loved you all with all she was. Know that all of our lives are blessed because of her. My heart is so sad right now for all of you. If any of you need us for anything we are here just ask. I love you all and will keep you in my prayers.
Love Jan
