“ I knew Arvel when he was a Sgt at Morgan County. He was a great mentor and I made Law Enforcement my calling because of his influence. I patrolled with him when I was young and still in college. It was great experience before I was old enough. Good times and funny stories. What a career.

“ We are saddened to learn of Arvel's passing, extending our condolences and prayers to the family for the loss of your dear love one. I worked with him back in the mid 60's while finishing high School catching chickens. I consider him a friend and will miss him immensely.

“ Arvel is my second cousin. He was born the year I married. A fine gentleman who loved God and family. My sympathy to Charlene and family. Don't grieve for him just remember the good times all of you experienced with him knowing now he is with our Lord.
