“ Audrey was one of the most spiritual persons that I have ever ever known. She had the gift of "touch" and "laying on of hands" for healing. She was a very powerful prayer warrior; there was many a time that I would ask her to pray and knew that that request would always be carried through. If I could be one smidgen of the Christian person that she was and could even hold a candle to the faith that she had, it would be phenomenal. RIP Audrey--You will always be remembered by all of us who knew you in the capacity that we knew you. You, Connie, and Patricia are rejoicing with the angels together in HIS Almighty Presence. Thanks be to God for your life here on this earth and the inspiration and influence that you were to many many people.

“ Audrey was like a second mom for my siblings and me. She took no guff and loved us dearly. We enjoyed many Thanksgiving dinners with the Herrick family. I will miss the demerits she passed out by the gazillion, occasionally removing five or even ten for good behavior.

“ Anytime I think of Mrs Herrick I think about her big brown eyes looking at me and that beautiful smile and you couldnt help but smile back. She was so sweet, kind hearted, polite and a very hard worker. She will be greatly missed.
