“ *Master of the words with a soul as deep as an ocean! You carried a burden, heavier than the sky, and you did it with infinite courage and hope for better days. Your light was bright enough to shine on all of us. But you had to leave us in the dark to follow your path. I'll keep following my light, and you'll be in my heart on every step of the way. Keep shining, Auzz, it's who you are!*
