“ My sincere condolences to Josh and Brittney, it is hard enough to try to put into words the emotions you are dealing with right now. Unfortunately not too many words from friends and family can bring you a measure of relief. The source of comfort can only come from knowing the truth about our Creator. Know that Death was not his original purpose for us, which He calls Death an enemy that He will do away with-1 Corinthians 15:26. For the mean time “He heals the brokenhearted; He binds up their wounds.”(Psalms 147:3). Trust in him so that he can provide you the comfort that you need. Again, my sincere condolences.
