“ Barbara was a good friend. We shared a lot of laughs and kidding around at Walmart for many years. She always had a smile on her face and was always ready to have a good laugh about something. I made quilts and she always looked at the ones I brought to Walmart and she told me one day, that before I stopped making quilts she wanted me to make her one. So I made an Alabama quilt and she met me one Sunday morning at the old Welti store location, not knowing what for. When I pulled that quilt out of my car she cried and so did I. She said she would put that on her bed so it wouldn't get messed up and she was always waiting for it to get cold, she said so she could use it. I was always glad and happy that she got so much joy out of something I made for her. Love you Barbara, you were the best. You will be so missed.
