“ Barry was a good friend of mine on the MV Navasota in 1975. We were seismic surveying off Malta in the Mediterranean, and went on a course together in Dallas Texas. we communicated on Facebook a couple of years back and I would love to come over and see his sculptures.

“ You left us way too soon Barry - we needed more of you in our lives - we needed the fairy dust and glitter. Plus we loved you, my friend. All my love to Connie, Susan, Alex and family.

“ Barry was such a wonderful friend to my family. He has made art a part of my children’s lives in a way that no one else could. They always wanted to go over and do an art project with him and he was always willing with a smile and an encouraging word when they didn’t like their finished product! He was such an inspiration to us. He will never be forgotten. I know I will never meet anyone like him.....so unique and awe-inspiring. Praying for peace for the Methvin family.

With love,  
Eleanor Murray

Barry was such a wonderful person! He was always so kind and encouraging to me and our family!  
He had such a God-given, creative mind and his variety of amazing, art are proof of his abilities. He loved to run and exercise, and I was so proud of him for recently competing the challenge of crossing the Grand Canyon’s Rim to Rim!  
I had the privilege of teaching his and Connie’s son, Alex in kindergarten many years ago! Barry and Connie were always so supportive and very encouraging to me and their love for their son was always reflected in Alex who was a great student!  
There aren’t enough words to describe how Barry was such a wonderful family member, friend, hard worker, and community member! He will be greatly missed!  
Sending much love and prayers for God’s peace and comfort for Connie and Alex, Susan ( his sister), and for everyone mourning his great loss! 🙏🥲
