“ So sorry we lost my lovable, crazy, funny, insane mother-in-law. The last time I visited her she told me she and her room mate were going to marry brothers and take over the nursing home. I have no doubt they would have succeeded. My love and condolences to the rest of her family. We will all miss her.

“ I loved Betty so much, I got to know her at Summerford Nursing Home, she was such a fun loving lady and every time I would go to visit my sister, she would have to have a hug and kiss with me! She made me laugh, and I will miss her terribly. I'm so sorry for your loss of Betty, I will miss her bright smile and hugs and kisses I always got from her. God Bless you all in your time of loss and sorrow.
