“ *So many happy memories at Aunt Betty's house. although it seems like forever ago, the memories will forever be with me. My first face scare from the seesaw (that Rickey and Wayne wouldn't slow down on). My bike wreck where she helped pic the rocks out of my arm. Playing rock star in the back of the truck as our stage, getting on to us for jumping on the bed. Sweet lifetime memories. Ricky and Bec you had one of the best. April and Jason, I'm sure you know you also had the best, she was like a mom to many of us.*
