“ *'My Aunt! As a child she was my light! Many memories of her in my life! Always a phone call on my birthday! I recall one special day riding in the back of the old pickup my uncle owned we were driving around picking up rocks....and her face looking thru the rear window at me and her son....she never took her eyes off us! It was a beautiful sunny day! And she was so happy!!*

May God richly bless each of you. We are so sorry for your loss. We shared a lot of memories. I worked with Bobbie when she first started to work at Jerry's and I was there the last day she worked at Piggly Wiggly. She will be greatly missed.
