“ *Bobbie always had the prettiest smile. I loved her laugh, and I loved to hear her try to talk when she was tickled about something. Her eyes sparkled. She was a great nurse, a great friend, and her family was her life.*

“ Tracey, Lisa & Kelly, I just want to tell you how sorry I am for your loss. Ya'll allowed me to be part of your family while I was growing up & Bobbie was so wonderful. I have the best memories of just walking into your house just like it was mine & always feeling safe and loved. Also the best NURSE in the world - I remember Bobbie from a very small kid afraid to go to the doctor but between Bobbie & Dr. Bownes who didn't want to go see them?!? My prayers are with all of you & how wonderful it was that you got to have your mom for this time and now she is sitting at the feet of Jesus.  
Love you all & may God give you Peace
