“ I will never forget the first time I ever met Bobby he was faithfully at his post with a smile on his face opening the door to the church shaking everyone's hand as they came in. Although I only knew him for 3 years he was always the same good ol Bobby. He wasn't a man of many words, but I guess that was his nature I identified with him in that respect. Bobby was a devout brother in Christ always working behind the scenes never wanting any credit for what he done for the church, but what he done was noticed and very appreciated. We will always remember our brother even as he is manning his new post in Heaven with God & ringing his Heavenly bell. I pray for his family & his church family he will be deeply missed.
