“ I met Bradley in high school through a friend. He was such a great person. He always made me feel like I was a part of the group. He was so sweet. He will be greatly missed. Y'all are in my prayers.

“ I met Bradley through my daughter Lauren. They attended Faiview First Baptist Church together, and bonded in friendship with Brandon Miller among others. Bradley was always funny, smiling, a joy to be around. He, at one time, helped me re-do my landscaping in the front yard. He shared with me a desire to be a landscape architect. I always wanted great things for him. I am so sorry for your loss.

I am Amber, Bradley's sister. I can't believe it's already been 5yrs since he died and I'm just now seeing these sweet comment's. Thank you all for your prayers, believe me they were felt and still are being felt everyday. My brother was a precious soul who is missed so very much. I long for the day when I will see him and again and kiss his chubby Cheek's!! My family and I have a very strong faith in God and so did my brother. I know we will be together again sooner than later and now we're 5yrs closer!! I miss him so much and now I can say even though his death was tragic he did not die in vain. There's been so much good that has came from it and still is. I just thank God for healing and restoration. Thank you all again so very much for the years of support. Love you all
