“ My dad.. I love you so much. I'm so sorry for everyone who is sad right now.. I am too but my dad wouldn't want us to keep crying forever.. dad died doing something he loved and I will never forget that. He's taught me so much and that was his last lesson 😞 I love him.. not in past tense because I am still alive.. I will love him forever until I pass.. we all have to remember he was a great man that did not deserve this.. ❤️❤️
