“ Bren was one of the first people I met after moving to Michigan, my first friend and babysitter for my daughter. Our friendship only deepened over the years of being neighbors in Rouge. Even after she moved to Chicago, we still remained friends. It feels strange to not be able to chat on FB. We had just talked on the phone a few weeks ago. I will always miss my dear friend from forever.....

“ *Brenda was like my little sister she was always so kind I don't remember one time that she raised her voice. We always had a lot of good times. The Parsons family was and always will be my second family. My prayers are with y'all at this difficult time.*
