“ Brenda was such a positive and caring person. My dad (Ervin) would call her and I know wake her up many times but she always made him feel special and that his phone calls were special. I never saw her defeated with her cancer she would just change the subject when you asked how she was. She loved her family and was so proud of them. Her legacy will live on through them and all of us who knew and loved her. She was a shining example of how God intends for us to live on this earth. I know my Dad was in line to see her as she entered the gates of Heaven. We will miss you! Love Always Lucinda (Cindy)

“ I remember Brenda as being a beautiful girl, sweet and friendly, kind to everyone. We were classmates at Fairview High School. Her favorite color was hot pink and she wore it a lot. Brenda was a beautiful woman, with that same sweet and kind disposition. She always professed her love for God and Jesus as her savior. Heaven is a better place with her presence. Love you Brenda.
