“ Although I had not seen Brett in several years we talked easily twice a month.. I worked with him from the late 90's to early 2000's at AmSouth . I was the private banker in Dothan ..He was a great guy and always called to check in.. I will miss our conversations on Bama football and chatting about the old AmSouth days.. He would always break up the day with a good laugh on the phone.. May God be with the family over their loss.....
