“ *I send my condolences to the family. I am a product of Bryant's childhood. I often think of that whole family. We lived just one house between us in the BattleGround Community. As kids we were in and out of homes often. I am three years older than Bryant but younger than Nell and Delilah, barely. I am sorry to read the whole family has passed away. So has mine. Our mothers were friends. I have nothing but good memories of those days and times. Robbie Blair Mize*
