Growing up Shane was always quiet and shy around people until he got to know you. He would always say yes ma'am or no ma'am. even if you were a few years older than him. People would always brag about how polite he was. He was always a hard worker. He would always put in 110% into anything he done. One of the many things Shane loved to do was help his dad work on his 53 Chevy truck. Shane will truly be missed by many people.

“ *We remember when Chi n Cindy lived behind us at Hayden. Shane was just a little boy . Him, his bother and sister played ball and chased each other all over the field. He was a nice young man. We are so sorry for the family's loss. May God comfort you as only He can. Donald & Sue Chambless*
