“ Several years ago, at Nazarene District Camp my son took Carol on a motor cycle ride. When she returned, I have never seen a bigger smile. She always mentioned that as a happy memory.
To her family, our deepest sympathy in your loss.

“ I was a childhood friend in the early 50's and enjoyed Carol's company. I was always impressed and amazed at her ability to play the piano, wish I had had some of her talent. My mother passed in 2012, I found Carol's newspaper engagement announcement in her keepsakes and tried to find her after that with little complete success.

Sending condolences to all her family.
