“ God gave us 6 years, I’m grateful for the experience. We laughed, we cried, we danced. I’ve yet laughed at you dancing, above all we lived. As a mom you gave me hope, you reminded me the start don’t determine the finish. I will miss those conversations and seeing your face light up when you spoke of your kids and how proud you were. I will hold the gardening tips and recipes close to heart. I will eat cake for the both us on our birthday celebrations although you didn’t care to much for cake. They say grief is the final act of love. I miss you Janine, sending my ❤️ to your family and friends and I pray you dwell in the light and love of most high. Soar through the air team mate.

“ *Janine made a significant impact on my life over the last year I was honored to have learning from her and growing with her. She brought a tremendous light into my life on what the true definition of being a dedicated, loyal, hard working, go-getter is in every aspect of life while also finding the good in every thing. I am so, so very thankful I was given the opportunity to know someone as inspiring and wonderful as Janine. I will continue to pray peace and comfort over everyone.* ”

“ *Janine was always kind and helping to anything I ever ask her we meet threw our dental offices 7 years ago and she was always my person to go to every time I needed help and guidance with any my dental questions and We would always get off track and talk about our families and laugh and joke around. She loved her family and work family so much. She always put a smile on my face seeing her at meetings knowing we were going to get to catch up on breaks. I’m so sorry for your loss she sure was a special lady and she held a special place in my heart and I know she will be truly missed by so many.*
