“ Cathy, a better Sister-in-law I couldn't have had. In the last 50 Years you have visited us everywhere we have lived. From FL, to NY, to PA, and back to NY. And the memories we made will never be forgotten, just like you will never be forgotten. You live in our hearts and minds all the time. You will be missed, and loved for all time. May God keep you, until we meet again. Love Norman Urbaniak

“ I was friends with Catherine's children specifically Tommy and I was fortunate enough to share some meals with her beautiful family. You can tell a lot from sitting at a family's table and it was evident that Catherine loved hers. I also remember those meals being delicious and enough for a small army. I can also remember her telling stories of her family in Buffalo and teaching me things about the Catholic faith. I'm ashamed to say these memories were too many years ago and while I hadn't had the opportunity to visit with Catherine in some time I have no doubt the love she had for her family was unwavering. My thoughts are with them during their time of grief.
