“ *Sonny was a great influence in my life! I don't know how he put up with my brother and I. We were so spoiled but he helped me do lots of things mechanically and personally I couldn't have done other wise. He pulled me off of a ice and snow covered highway in the middle of the night in one of the 18-wheelers. I will never forget that. I was a dumb kid but he always treated me well! Heaven is a nicer place with him there.*
