“ Charlie i adored you growing up. I remember riding horses with Daddy and you. I remember flying kites and you teaching me how to release string and how to hold my kite and run until caught wind. I've never seen anybody fly kite as high and as long as you did. Never forget at Grandma house you teaching me how to yo-yo and do yoyo tricks like walk dog. I remember when Dwight Brody Joel Pugh played music and turning Grandpa/ma chicken coop into band practice studio, rock n roll, Yelp grandma chickens roasted in tree in front yard after that. Lol. Yeah i remember school concerts and how all the girls swooned over you. I was 6 or 7 years old and these grown teen girls all dreamy eyed over you on school bus even invited and took me to skate party in hope you notice them and be impressed. I enjoyed babysitting Trent and Clay. Both Awesome Handsome boys. I love you Charlie.
