“ *My prayers and thoughts go out to Charlie's family and friends. Charlie has been my neighbor for 34 yrs, he often laughed at the jam's that I would get myself into and laugh while helping me get out of these predicaments, one of which happened 3 weeks ago and I'll share the picture. We laughed, we talked about our kids getting our places when we were gone, just good neighbors talking. Little Charlie was his life and his life will go on through this fine young man. He also enjoyed life to it's fullest with his girlfriend and his motorcycle club, and it was fun to see that he enjoyed his life until he was called home. The last time I talked with Charlie was the week he passed, he was having his home fixed after the hail storm and it's sad to know he won't be enjoying it, but I know he's happy to be where he is in the hands of God and enjoying the beauty of heaven. Our neighborhood feels emptier and I'll miss seeing him out in his yard and us waving to one another as we cut grass, but I'll waving to you up above Charlie, you can count on that.*

“ Charlie,
You were 9 when Mike and I started dating. Your dad treated me like family from day one. He always made me feel welcome, always a part. He always had a big smile and an even bigger hug. My heart is broken for you and with you. Much love - Melda
