“ *My heart breaks for you. I only knew Christian from Melanie's Facebook posts but it was obvious that he was the center of your universe and was loved by so many. He seemed to have made the most of his 12 short years and touched so many. I pray that God will comfort you during this unimaginable time. With much love.*

“ I am so very sorry about Christian's passing. I have heard so many wonderful things about him from his friends and I have no doubt that he would have grown to be an impressive man, as he was already an impressive boy.

Please embrace one another as you try to cope with this horrible loss.
