JR

“ I first met Christy in 1997 when I came to work at the Cullman Post Office. She was the kindest and most soft spoken person I have ever met. Through the years, I had the privilege to watch Christy mentor so many new employees. Each one, not only becoming a better Carrier, but a better person. You see Christy was never a Supervisor or Postmaster, who would leave you hanging. If you called her she returned your call, if she said she would find out for you, she came to you, you didn't have to hunt her down. She never used manipulation and had a sense of integrity like no other. That love and integrity was passed through her family. I have had the distinct pleasure of having her grandchildren attend VBS at Mt. Nebo Baptist Church for the past several years. Those Lynch Kids are some of the most polite and well behaved kids I have ever seen. I believe Christy had a large part to play in that. Up until a few days ago, I never made the connection, but when I did I began to think about Christy and her kids and Grandkids. The best thing I can say about Christy is your Grandkids are as wonderful as you were, and I am a richer person for knowing you all.... You will be truly missed.
