“ Our thoughts and prayers are with you Angie and the boys and all of your family right now. I'm so glad to know she is in no more pain and she fought a good fight here on earth. She was an inspiration to me each time I would see her and watch her videos with a smile on her face and her head lifted high. She gained her wings with her daddy and my dad in heaven. With much Love and prayers and our deepest condolences . Cousin Gloria, Tia Estella and Prima Vida, Nena, Cousin Abel Jr. RIP Connie! We are going to miss you.

“ Sweet Connie, I am so glad to have met you. You always had such a courageous outlook on life even though you knew cancer was hiding like a cow as rd around every turn. You were not afraid of death, you fought so hard and for so long. The good Lord knew you were so tired and He needed you to come home! I know your singing and running around all over heaven. What a homecoming that must have been. See you when its my time to come home!! Love you!! Glenda D.

“*Connie was such a fighter. She loved deeply and if she loved you, she protected you at all cost. I called her “Rubicon” because of her toughness. I remember her smiling every time I said it. She will be missed. Thoughts and prayers are with you all, as well as my love.*
