“ i guess you could call Curtis my uncle-inlaw, but to me he was also a great friend. I didn't see him that often after I moved to Virginia, But i was always welcome to spend the night with Jean and Curtis any time I passed through Alabama on the way to Louisiana.

I will always remember their kindness too,when my daughter and granddaughter was sick.

jean and Curtis also drove all the way to Roanoke,Va. when Donna,my daughter passed.

Jean and Ann,I,m so sorry.I know you miss him so much.

Thinking of you
