“ I am so sorry to hear of Dan’s passing! Dan was my next door neighbor in Ward Arkansas. After he moved to Alabama we still kept in touch via phone. I haven’t spoke with him for awhile so I tried to call him and his phone was disconnected. Then I found his obituary and saddened by the news. Dan was a very kind person .

“ Being that Daniel was my first cousin, when we were kids, we played touch football at MawMaw Minnie's on the holidays when we all met for dinner. We had the best time in the fall leaves. Daniel was the smart one so he was always enlightening us on something he learned that week at school. Me being older, definitely wasn't as impressed as the younger ones, but he thought we were. I loved him because we always had more to talk about and had to fight the others off so we could talk. Lost touch most of his life since he was in the military, but he knew we still loved each other. So sad for the family. All of his boys are so nice looking and well behaved which I accredit to how they were reared. He will always be known to me as a good person who loved his country, too..
