“ I remember so many times going over to yalls house. I remember thinking man all yall ever eat is spaghetti. But it was the best spaghetti, all that cheese and mushrooms....so good. I also remember the madness I ever saw Mr. Skinner get was when Richard and us were wrestling in his bedroom and Gordon put Richard's head through the sheet rock wall...Mr. Skinner came unglued....and also that time Gordon got on the fiberglass roof and rolled around on it...Mr. Skinner just laughing sayinghe wasn't going to punish Gordon... he was punished enough he just didn't know it yet....Good times ...good times...Thank God for Mrs. Skinner cause Danny would have killed all of us kids if it had not been for her...
