“ *We are so sorry to hear of Laverle's passing. He and my Daddy, Robert Whitworth were first cousins. I loved hearing about all the mischief they got into growing up. Laverle always had a big smile and big hug for me whenever he saw me. Prayers are with all of you.*

“ He was my husband's first cousin. Harold and Laverne always enjoyed visiting together. They shared lots of smiles and laughter talking about 'old' times. He and his sweet wife always made us feel welcome in their home. He was so proud of his boys and all his family. May good memories bless each one. Helen Eddleman

“ So sorry to hear of Laverle's passing. Thank you Steve for posting this.

One of my memory's of Laverle is when I visited them when he and Jewel lived on a farm. Besides growing cotton and other crops to sell, he also had a garden. Every meal had plenty of vegetables, which at the time I didn't care for. One night I made the mistake of letting Laverle serve my plate. I never saw so many peas and green beans on one plate before. He never let me forget that, and for years would ask me about it when we were together. He will surely be missed, even though we know he is in a better place, rejoicing with his Lord and Savior.

Under the circumstances, we will not be able to attend the graveside service, but know that we are praying for the whole family.

“ Johnny-so sorry to hear of your Dad's passing. If I can do anything, just let me know. If not for the current circumstances, I would be there for the service. You and your brothers will be in my prayers. Good friend, Barry
