“ *DeJuan was the leader of the A-team (Altar team) at church. I had great admiration and respect for his gentleness, and gofly leadership of our group. Several years agol, I asked he and his wife Cyndi to go with me to share Christ with my neighbor who was in the hospital. He came not once but several times. Praying for his family during this time. One day, we will be reunited for an eternity with Our Savior Jesus Christ.*
