“ *Debbie was a 4-H member a few years after I attended National 4-H Congress. I remember Miss Ann Barr saying what potential she had and that she had won the National 4-H Tray Award. When I began working with 4-H in Morgan County, I soon connected with her at Brewer High School in the Vocational Foods department. She served as a judge, a mentor to youth involved in 4-H, and an advisor to my county program. Always had a smile on her face and a welcoming word when I went to visit. There is a empty place in my heart. Praying that the memories of Debbie Gillon will bring smiles to all of us who knew her.*
