“ Thinking of you all in this very sad time. It's been a long road and now another journey has begun. I can see Sandie and Jared and family waiting on Dennis at the gates of Heaven and he was at peace. I've known Sandie since around 6 years old and Dennis since he came to HHS. They were both known for their love, laughter and strength. Love for each other and for each of you made in Heaven. Sending you prayers for peace and the love of friends for you all.
