“ *Oh my dearest friend how I much I will miss our talks. It's been a while and I wished I had been able to contact you. You were always a true friend to me and helped me so many ways when I didn't understand just how much God loved me you lead the way in my beliefs. May you rest with the angels and may God comfort you and bring you peace. No more hurting and no more pain . I love my sweet friend and I'll see you again someday... Love you DeAnn Lakin*
