“ I have tons of great memories with mawmaw but my favorite was always taking her grocery shopping. I had to carry a step ladder for her to climb up in my car. We always thought that was the funniest thing. Laughing about it later always cracked me up because she would get so tickled trying to tell that story.

“ *I am so very sorry to hear of Diann's passing. Diann always had a smile on her face, giving big hugs, and the words I love you. No matter the amount of time, it was always as if we had seen each other every day. My prayers to the children, grandchildren and other family members. May your memories comfort you in the coming days, weeks and months ahead.*
