“ *I remember him as a child as we were in church together , I've heard lots of stories about him and my Dad (spiders involved) lol ! They fished and such . But my last and greatest memory of him was that he was there to give me a comforting hug when mine and my brothers Father passed away ! The Robertsons are all such wonderful people .*

“ *About 7 years ago I got to spend a day on Guntersville Lake with Dolton I and Uncle Bruce. He wouldn't let me pay for anything and I think he enjoyed watching me get bowed up on a bass as much as catching one himself. It was such an awesome day just hanging out with him.*
