“ I had the opportunity to baptize Donnie & Myra Hyatt over 35 years ago and so sad to hear of his passing. A few years have past but I have great memories of Donnie & Myra.

“ Donnie and I went fishing for cat fish at Kingfisher Lake one summer night. we were fishing from my john boat. Me in front, Donnie in the back. We were having no luck what-so-ever, until suddenly, I got a bite. I poised myself to set the hook, but the biting stopped. After a bit, another tug on my line! Another bite. Still no chance to catch the fish. I turned to tell Donnie what was going on just as I got another "bite" as I caught Donnie tugging on my line! We laughed about that many, many times.
