“ Karen & Rodney, So sorry to hear about the passing of your Mother! I just heard today and am sorry I did not know sooner. I still look up at her house sometimes and think I can still see her sitting on her deck or watering her plants! She was a special lady. You and Rodney will be in my prayers. “ Karen I remember calling you about Carl and somehow I have misplaced your number. If you do have any type of Memorial Service please let me know. (256-734-5831) . I called my kids plus Carla and Laura, since your Mom was "Aunt Doris" to all of them. Carla specifically sent a hug to you and Rodney.

Have been thinking of you both. Prayers for your family. Love
