“ I enjoyed hearing her sing and I used to fix her hair when I worked at Precisions years ago. We shared stories about my mama and Deborah growing up together and our families. She was a sweet, sweet lady that loved her family and her savior. ❤️

“ Earlene was a jolly Lady that loved her children and grandchildren so much. Jethro her brother was her best friend along with her sister and the twins. She was always on the go. She was a magnificent cook. We worked together for a number of years at a group home for Developmentally Disabled. She could fold fitted sheets just like they came out of the package. She tried to teach me one night I got so frustrated because mine just would not come out like she was telling me. I just rolled that sheet up threw it in the cabinet. We never talked about folding fitted sheets after that. I learned a lot of little helps from her. Like putting some onion in your salmon patties to keep your house from smelling like salmon for days. It works. She was a one-of-a-kind woman. Singing was a joy in her laugh and she brought lot of joy to others through her singing.
