“ Earnie was a friend who first saw career potential in me after my stint in the Navy and hired me. Oh, the stories he used to tell most of which would back fire on him! But when he married Betty, his demeanor completely changed! He thought so much of her, and loved her so much. Betty, my deepest condolences to you and your family. Earnie was a great guy! My only regret was that we lost touch with each other over the years. God bless you, and your family.

“ *My late mother Virginia McKenzie Hooper sure spoke highly of Mr. Haynes. If I'm not mistaken he was my Uncle Earl McKenzie's best friend while growing up. I am so sorry for your loss. May he fly high with the angels*
