“ *John and Eileen took me under their wings in 1994. John was my mentor when I first started out. Mama Eileen as I called her would call me everyday and sometimes twice. I was closer to her than I was my own mom. As I sit here I feel lost knowing I'll never receive another call or I'll never sit next to her in pop's recliner and talk until the early morning hours. She was an awesome lady who I will miss dearly.*
